

CURRICULUM VITAE

Philippa Marrack, Ph.D.

Personal Data:

Date Birth: June 28, 1945
Place of Birth: Ewell, England
Nationality: British & U.S. Citizen

Education:

- 1967 New Hall, Cambridge, England; B.A., Biochemistry, First Class Honors.
1970 New Hall, Cambridge, England; Ph.D., Biological Sciences.

Professional Experience:

- 1970-1971 Research Bye Fellow, Girton College, Cambridge, England
1970-1971 Postdoctoral Fellow, MRC Laboratory for Molecular Biology, Hill's Road, Cambridge, England.
1971-1973 Postdoctoral Fellow, Damon Runyon Society for Cancer Research, Department of Biology, University of California at San Diego, La Jolla, CA.
1973-1974 Postdoctoral Fellow, Department of Microbiology, University of Rochester, Rochester, NY.
1974-1975 Associate, Department of Microbiology, University of Rochester, Rochester, NY.
1975-1976 Assistant Professor, Department of Microbiology, University of Rochester, Rochester, NY.
1976-1981 Established Investigator, American Heart Association.
1976-1979 Assistant Professor of Oncology in the Department of Microbiology and Cancer Center of the University of Rochester, School of Medicine and Dentistry, Rochester, NY.
1979-1982 Associate Professor of Oncology in the Department of Microbiology and Cancer Center, University of Rochester.
1979- Member, Department of Medicine, National Jewish Hospital and Research Center, Denver, CO.
1980-1985 Associate Professor, Departments of Biophysics, Biochemistry and Genetics and Department of Medicine, University of Colorado Health Sciences Center, Denver, CO.
1985- Professor, Departments of Biophysics, Biochemistry and Genetics (now Dept. of Biochemistry and Molecular Genetics) and Medicine, University of Colorado Health Sciences Center, Denver, CO.

- 1986- Investigator, Howard Hughes Medical Institute at Denver, Denver, CO.
- 1988-1994 Professor, Department of Microbiology and Immunology, University of Colorado Health Sciences Center, Denver, CO.
- 1988-1990 Head, Division of Basic Immunology, National Jewish Center for Immunology and Respiratory Medicine, Denver, CO.
- 1994- Professor, Department of Immunology, University of Colorado Health Sciences Center, Denver, CO.
- 1998-1999 Head, Division of Basic Immunology, National Jewish Medical and Research Center, Denver, CO.
- 2004- 2006 Advisory head, Research in allergy/asthma at National Jewish.

Current Memberships in Organizations:

Member: British Society for Immunology
American Association of Immunologists
American Heart Association (Basic Science Council)

Other Duties:

- 1977-1979 Member of Program Committee, AAI
- 1980-1984 Member, Immunobiology Study Section
- 1981 & 1983 Vice Chairman then Chairman, Gordon Conference on Immunochemistry and Immunobiology
- 1981-1984 Associate Editor, Journal of Immunology
- 1982-1984 Block Chairman, AAI organization for FASEB meeting
- 1983 Member, Ad hoc Research Briefing Panel of Immunology National Academy of Sciences
- 1983- Editorial Board, Cellular Immunology
- 1984-1987 Section Editor, Journal of Immunology
- 1984-1986 Member, Editorial Committee, Annual Review of Cell Biology
- 1985- Advisory Editor, Journal of Experimental Medicine
- 1985-1987 Block Chairman, AAI organization for FASEB meeting
- 1986-1991 Editorial Board, The FASEB Journal
- 1986- Advisory Board, Cancer Research Institute
- 1987- Associate Editor, Cell

- 1987-1991 Member, American Cancer Society Council
- 1989- Sandoz Award-Selection Committee
- 1988-1989 Reviewing Editor, Science
- 1991-1995 Member, Council of National Institute for Allergy & Infectious Diseases
- 1992-1993 Member, Council of the American Society for Cell Biology
- 1992- Advisory Editor, Therapeutic Immunology
- 1992- Editor, Current Opinion in Immunology
- 1993- Lasker Award Selection Committee
- 1995 Secretary General, International Union of Immunologists 'Tri-Annual Meeting, San Francisco, CA
- 1995-1998 FASEB Excellence in Science Award Committee
- 1995- Charter Member, Board of Molecular Medicine Society and Contributing Editor, Molecular Medicine.
- 1995- Council, American Association of Immunologists.
- 1996-2003 Member, Scientific Advisory Board, Pew Foundation
- 1997- Editorial Board, Journal of Autoimmunity
- 1997-2003 Editorial Board, Proceedings of the National Academy of Science
- 1997-2004 Scientific Advisory Board, Trudeau Institute.
- 1998 Member, NIH Panel for review of the Director of NIAID
- 1998-1999 Member, Panel on Scientific Boundaries for Review
- 1998-2001 Vice President, International Union of Immunological Societies.
- 1998-2002 Member, Center for Scientific Review Panel on Scientific Boundaries for Review.
- 1998- Member, Scientific Advisory Board, Sandler Program for Asthma Research.
- 1999-2000 Vice President, American Association of Immunologists
- 2000- Member, External Research Advisory Board, Joslin Diabetes Center
- 2000-2001 President, American Association of Immunologists
- 2000- Advisory Board, Genome Biology

- 2001 Member, Review Committee for Experimental Immunology Branch, NCI
- 2001-2004 President, International Union of Immunological Societies
- 2001-2004 Member, Burroughs Wellcome Fund Pathogenesis of Infectious Disease Advisory Committee
- 2001- Member, Editorial Board, Journal of Biology
- 2001- Member, Editorial Committee, Annual Review of Immunology
- 2002- Member, Editorial Board of Immunity
- 2002- Member, Nominating Committee for the National Academy of Sciences Class IV TNG
- 2002- Member, Scientific Foundation of Ireland, Scientific Advisory Committee
- 2003- American Federation for Aging Research Advisory Board
- 2003- Editorial Board, Public Library of Science
- 2003 National Academy of Sciences Nominating Committee for the next NAS president.
- 2004- Non-Trustee Member, Committee on Scientific Affairs, Rockefeller University
- 2004- Past President, International Union of Immunological Societies
- 2005- Member, Review Panel for L'Oreal Awards to Women in Science
- 2005- Member, Royal Society International Network/Special Initiatives Committee:7
- 2005, 2006 Ad hoc member, CMI-A Study Section
- 2006 Evaluator, NIH Director's Pioneer Awards
- 2006 Member, search committee for Proc. Natl. Acad. Sci USA editor.
- 2006 Reviewer, Georgia National Science Foundation
- 2006 Chair, AAI Nominating Committee
- 2006 Member, NIAID Blue Ribbon Panel on Influenza Research
- 2006 Member, Class II, Section 2 Membership Panel for the American Academy of Arts and Sciences
- 2006 Ad hoc member of NIH Special Emphasis Panel, T cell/B cell mechanisms

- 2007-8 ACD working group on changes in the grant review system
- 2007- Member, Scientific Advisory Board, Sandler Asthma Based Research Effort, UCSF
- 2007- External reviewer, NIH Director's New Innovator Awards
- 2007- NY Academy of Sciences, Board of Editorial Consultants, Year in Immunology
- 2007-8 Reviewer, HHMI new investigator competition.
- 2007- Chiba University, Visiting Professor
- 2008 Ad hoc member, CMI-A Study Section.
- 2008- Editorial Board, Proceedings of the National Academy of Science
- 2008- Member UCHSC CFAR Executive Committee
- 2008 Reviewer, Department of Immunology, Baylor University
- 2008- Member, Scientific Review Board, Damon Runyon Fellowships
- 2009- Member Wellcome Trust Principal Research Fellowship Interview Committee
- 2009- Member, Paul Ehrlich and Ludwig Darmstädter Prize Committee
- 2009- Member, American Foundation for Aging Research Advisory Council
- 2009 Member ZRG1 IMM-H Study Section
- 2009- Member, European Research Council

Honors

- 1989- Member, National Academy of Sciences, USA
- 1990 Feodor Lynen Medal for Special Achievement and Distinguished Service Award
- 1990 Royal Society Wellcome Foundation Prize Winner and Lecturer
- 1990- Honorary Member, Scandinavian Society for Immunology
- 1990 The Arthur B. Lorber Award for Distinguished Service to National Jewish Center for Immunology and Respiratory Medicine

- 1991 Honorary Doctorate of Sciences, University of Rochester
- 1991- Fellow, American Academy of Arts and Sciences
- 1992 Christopher Columbus Discovery Award for Biomedical Research
- 1992 The Ernst W. Bertner Memorial Award, MD Anderson Cancer Center
- 1993 Cancer Research Institute's 1993 William B. Coley Award for Distinguished Research in Fundamental Immunology.
- 1993 The Paul Ehrlich and Ludwig Darmstädter Prize, Germany
- 1993 University of Colorado Distinguished Professor
- 1995 The Louisa Gross Horwitz Prize-Columbia University
- 1995 FASEB Excellence in Science Award
- 1995 Behring-Heidelberger Lecture Award
- 1995 Dickson Prize in Medicine, University of Pittsburgh
- 1996 Honorary Doctorate of Sciences, Macalester College
- 1997- Fellow of the Royal Society
- 1998 The Rabbi Shai Schacknai Memorial Prize, Hadassah University, Jerusalem
- 1999 University of Chicago, Howard Taylor Ricketts Prize
- 1999 Interscience Conference on Antimicrobial Agents and Chemotherapy Award
- 2000 Member, American Academy of Arts and Sciences
- 2001 Irvington Institute Scientific Leadership Award in Immunology
- 2002 Member, The Academy of Medical Sciences
- 2002 Lifetime Achievement Award, American Association of Immunologists
- 2003 Faculty Ambassador Award, National Jewish Medical and Research Center
- 2004 L'Oreal UNESCO for Women in Science Award
- 2004 University of Colorado Health Sciences Center, School of Medicine, Mentoring Award

- 2004 National Jewish Medical and Research Center Abraham J. Kauvar Presidential Award
- 2005 Bonfils Stanton Award for Science
- 2005 National Jewish Medical and Research Center Lifetime Achievement Award
- 2005 Rockefeller University Pearl Meister Greengard Prize.
- 2006 Avery-Landsteiner Prize of the German Society for Immunology.
- 2007 Denver Business Journal Scientist Award.
- 2008 Member, Institute of Medicine
